==========

DMJ_Journal — Author Guidelines

==========

1. SCOPE AND AIMS

DMJ_Journal is an independent peer-review and journal-transfer service.
We welcome original research, systematic reviews, methodological papers,
and short communications across Applied Linguistics, Medical English,
and related fields. Accepted manuscripts are transferred to indexed
partner journals for final publication.

2. MANUSCRIPT PREPARATION

- Format: Microsoft Word (.doc/.docx) or PDF.
- Length: Original research (4,000–7,000 words); Reviews (up to 10,000 words).
- Language: English (British or American, but be consistent).
- Font: Times New Roman, 12 pt, double-spaced.
- Margins: 2.5 cm (1 inch) on all sides.
- Page numbers: Bottom-center.

3. TITLE PAGE

- Title: Concise, descriptive, max 20 words.
- Authors: Full names, affiliations, and ORCID IDs (if available).
- Corresponding Author: Indicate with an asterisk (*) and provide email.
- Running title: Max 50 characters.

4. ABSTRACT AND KEYWORDS

- Abstract: Max 300 words, structured (Background, Methods, Results, Conclusion).
- Keywords: 4–6 keywords, separated by commas.

5. MAIN BODY (For Empirical Studies)

- Introduction: Background, rationale, research gap, and objectives.
- Literature Review: Critical synthesis of relevant studies.
- Methodology: Participants, instruments, data collection, and analysis.
- Results: Clear presentation of findings (tables and figures encouraged).
- Discussion: Interpretation, implications, and limitations.
- Conclusion: Summary and future directions.

6. TABLES AND FIGURES

- Number consecutively (Table 1, Figure 1).
- Include descriptive captions.
- Place tables/figures in the text after first mention.
- Submit figures in high resolution (300 DPI minimum).

7. REFERENCES (APA 7th Edition)

Examples:

- Journal article: Author, A. A., & Author, B. B. (Year). Title of article.

Title of Journal, Volume(Issue), page range. https://doi.org/xxxx
